New Service for Patients

You may be aware that all practices are required to provide all their patients with a named GP who will have overall responsibility for the care and support that the surgery provides them.

Dr (Abbott, Lad, Essayed, Bowater or Glover) will be your named GP.

This does not prevent you from seeing any GP in the practice as you currently do.

You do not need to take any further action, but if you have any questions, or wish to discuss this further with us, please contact the surgery on 01604 845144.

Kind Regards
The Pines Surgery
